

HIGHLY CAPABLE PROGRAM

PROGRAM FEATURES:

Designed to meet the learning needs and challenge students who have advanced thinking and academic abilities.

K-8 Students are cluster grouped with a Highly-Capable trained teacher.

REFERRAL PROCESS:

Parents, Guardians, Teachers, Students or any person with knowledge of the student's abilities may initiate a referral for highly capable services.

HIGHLY CAPABLE

Our Highly Capable program offers identified students instruction, services and activities to enrich and extend learning. Referrals for HiCap services are encouraged.
