Discussion with: See Construction Progress Meeting Minutes Dated 1/4/18.

Construction Activities:

1. It appears the developer has installed a silt fence along the northwest edge of what will be the new NW Terre View Drive.

2. Contractor continues laying up CMU wall along grid line "T".

3. No apparent progress on other Gymnasium walls.

4. Structural steel erection continues.

5. Structural steel erection continues.

6. Appears the contractor has installed the steel for south stairs.

7. Appears the contractor has moved the crane to the center point of building to continue erection of structural steel.

Deficiencies: None noticed at this time.
